LEXI ADAIR

Thank you for the time I got to spend in this amazing program, it's taught me so much and the only thing I can wish is that it wasn't cut so short, thank you Jennings.

SHOUTOUT TO SHANNON!

And I guess Dom is ok 😊 You're the man Dan!

JASMINE ALBARRAN

I went to BOB freshman year with my dad, amazed by their passion, I promised him he would see me perform on stage. That next year, I opened BOB, while proudly representing my Latin culture.

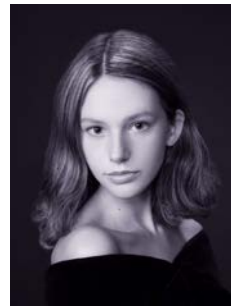

Thanks to my encouraging family and friend, I began this beautiful journey making countless memories to be cherished forever.

From losing my wig on stage to winning first place, I thank the VMA, and I am finally ready to graduate.

EVERETT BABCOCK

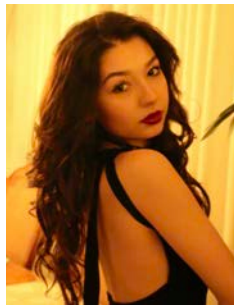

All the small things	Commiserating
True care, truth brings	Say it ain't so
I'll take one lift	I will not go
Your ride, best trip	Turn the lights off
Always I know	Carry me home
You'll be at my show	Na-na, na-na, na-na,
Watching, waiting	na-na, na-na

CADENCE BAKER

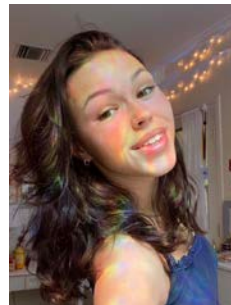

My choir experience was a very unique one, especially since I joined in my junior year. Nevertheless, I've had a great time singing, dancing, and falling asleep during classical competitions these last two years. A special thank you to Mr. J, Jen and Corey, Dan, and all the wonderful friends I made in Sound Sensations!

I love and appreciate you guys 😊

BRIDGET BARRERA

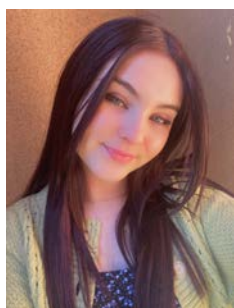

I would love to thank everyone in the VMA for providing me with so many beautiful moments to showcase my love for performing. I will always remember this stage and the feeling of singing and dancing with my best friends.

NATALIE BERNARD

I'm so thankful to have been a part of this program and for all of the good times and friends it has brought me,

love you all ❤️ peace out ✌️

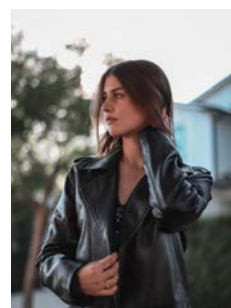

AUDREY BIRD

Within these past 4 years I have learned so much about myself and have enjoyed every second of it.

Thank you to all the choreographers as well as Mr. Jennings for guiding me to my fullest potential as a performer. Although this last year of choir hasn't gone to plan, I am still beyond grateful to have been part of this once-in-a-lifetime experience.

I will truly never forget the time I've spent in the VMA.

BROOKE BUTLER

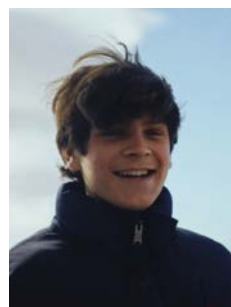

I've only ever been in choir via zoom at Burroughs; but despite the long hours in front of a computer and the irritability that can come with them, I have no doubt that the community created here is a real family. Thank you to Jen, Corey, Dan, Mr. Jennings and all the choir mamas for working so tirelessly to make this year come to life.

To an unforgettable year performing at home ❤️

NICOLE CONCEPCION

While it's fun to sing and dance, I never found that to be the main appeal of choir. Instead, I latch on to the new friendships created, the memorable experiences we shared and the confidence I've gained throughout the years. It's crazy to think about how much a person can change after hundreds of hours spent in auditoriums, buses and choir rooms with a bunch of talented teenagers.

DANIEL COSCIA

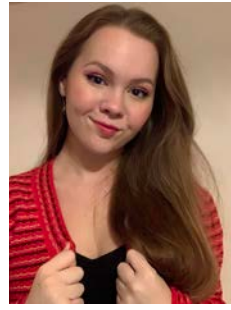

The VMA was more than just performing, it was about the experience and the people. I loved every moment spent with my friends, being able to laugh and joke, then proceed to get in trouble for laughing too loud. All of the wonderful memories I've had couldn't have been possible without the directors, the Jens, the choreographers, and the mamas. It's bittersweet in a way and I couldn't have asked for a better 3 years.

Behind you, all your memories

ALICE DORÉ

I am so grateful for all of the incredible people I've met in the VMA, and feel especially lucky to have experienced all four choirs. I grew so much through this program, and accomplished more than I ever thought I would when I first joined choir freshman year. Everything I participated in, from Muses to musicals, brought me increasing confidence and joy, and I'll never forget the memories.

LAUREN DUNCANSON

I'm so grateful for these past four years in Powerhouse, and my years in VE/DE! The VMA has given me my best friends and memories I'm forever thankful for. Thank you Jennings and Jen for taking a chance on little new girl! 8th grade Lauren to join Powerhouse. It has changed my life and prepared me for my career! And so much love to Dom, all the Jen's, Dan, James, Emily, etc!
Thank you!

MADISON FLORES

I'd like to thank the VMA for giving me a reason to go to school (and zoom) every day... I love you all to bits and pieces, thank you for making me who I am today.
This is your vp mad flo signing off!

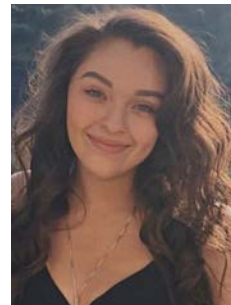

JILLIAN FLYNN

I truly cannot express how grateful I am for this program. To my wonderful family, friends, choreographers, directors, Mamas, Mr. Jennings, and Dan: I thank you for supporting me these past four years and providing me with a nurturing and comfortable environment to do what I love. I can't imagine my high school experience without all of the incredible memories I have made and lessons I have learned in the VMA. So much love.

MEGAN FOURNIER

The one thing I looked forward to every day when I went to school was walking into the choir room. Choir gave me some of the best experiences of my life and also gave me some of my closest friends. I don't think I'd be who I am today without this program and all the amazing people who are a part of it, so thank you everyone who gives their time to help give us this outstanding program. I love you all and I'll miss everyone with all my heart!

CASSANDRA GOMEZ

It's been fun these last four years, thank you for all the memories! Show choir will always have a special place in my heart ❤️
love you Jen and Corey! DUCES

GAEL GRAJALES

Being in choir has been an absolute blast! Even though I was late to the party by joining Men at Work in Junior year and Sound Waves my Senior year. I'm forever grateful for all the unforgettable memories I made, all the amazing people I met along the way, and all of the wonderful friends I made as a result. Thank you Mr. Jennings and thank you to my amazing choir friends!

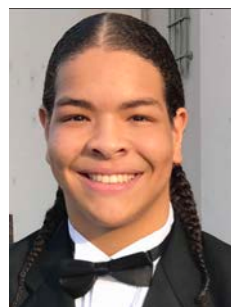

KEILEE GREEN

I loved being part of the VMA for four years and I'm thankful for all of the friends I've made.

TYLER GRIFFIN

You all surprised my mom with your beautiful voices on her last birthday morning.
She smiled.
She was giddy.
I'll never forget that.
I lov u all & onto the next

JAYLEN HARVEY

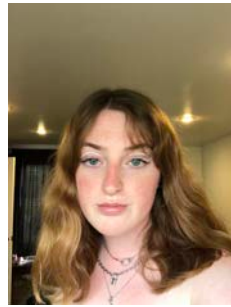

Before I begin, I want to thank God and my parents for allowing me to be me. I tend to ask myself how I can better myself. With every rehearsal, practice, performance; I always seek a way to improve myself. Showchoir was the answer to this question. Being challenged to do my best allowed me to excel on AND off stage. I have been changed for good; thank you, showchoir, for changing my life.

Before you, all your dreams

KERRY-ANN HERISSE

Choir has done so much for me, and although we never got to get the whole experience (thanks covid 😊) I'm thankful for everything that was given to me through this program. Basically what I'm trying to say is, Shannon's perfect 😊!

MADISON HOWICK

Heyyy! Loved senior year 12/10. Best year ever. My last homecoming was ama-... Well I can't wait for pro-.... I can't complain I do get to stay in bed for classes 1-6. I do wish I could physically be in class, but my grades are better than ever! (if only school was online junior year). Goodbye Burroughs! I'll be back next year when a statue of me is put up in the quad! ❤️

ANGIE HUYNH

Even though the year did not go as planned, we all managed to make it work! I would do anything to be able to sit in the green room one last time.

ALISHA KILBANE

Thank you to John Burroughs choir for making my high school experience so memorable. Being in choir has allowed me to have met so many friends and to have had a great experience performing in Decis and Sound Sensations. I want to say thank you to Mr. Jennings, Dan, the choreographers, and lastly my dad who has supported me through my journey. Thank you!

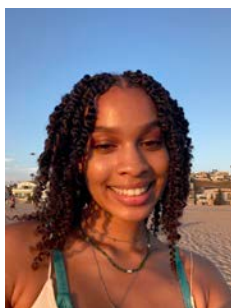

ZOZY KOHANIM

Thank you for the music, thank you for the friends, and thank you for the rush of adrenaline from performing on stage alongside a lively and supportive audience!

JOHN LOZANO

#LETSGO

ANAYA LEATH

Being in choir has been so incredibly fun and crazy and it's not just due to the amazing friends I met here, it's due to Dominic, Shannon, Amanda, Jen and Corey, Jen Oundjian, Emily DePauw, Mr. Jennings and the Mamas. There is nothing like our vma and I'm going to miss this crazy family so much. Although I didn't end the year onstage being up there is a feeling I'll never forget.

DRAKE MARASEK

I can finally rest and watch the sun set on a grateful universe. I know we'll meet again some sunny day. Stay epic, gamers.

TONY MELCHOR

The past four years have provided life long memories. As my senior year comes to its final act, I thank everyone that plays a role in this amazing program. A warm and loving hug to the parents, Mamas and all volunteers. A special thank you to Dom and Dan the Man for making this experience fun and enjoyable. Mr. Jennings a heartfelt thank you for allowing me into the choir family. On with the show.

DARBY NEALIS

The first thing I think of when I look back on my high school experience is show choir. I am beyond thankful for the amazing people I've met, connections I've formed, and memories I've made. I feel so lucky to have had a family within the VMA since freshman year. Special thanks to Jen and Corey -- you helped me find my sparkle on stage, I love you! xoxo

Around you, all who love you

GENESIS OCHOA

There are not enough words to express how grateful I am for the VMA, not only did I get to spend the last four years doing what I love, I got to spend the last four years building a family with people who have helped me flourish. Especially this year, I would like to thank all of the choreographers, Mamas, Dan, and Mr. Jennings for helping make the best out of this year!

BRYCE PICKETT

Thank you to the entire VMA for being so supportive during my 4 years with them. It was fun while it lasted.

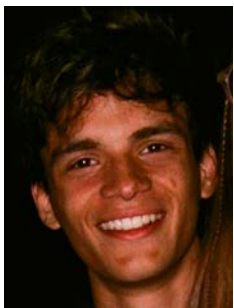

SARAH RAMOY

Four years in the VMA has played a big factor in who I have become as a person today. I developed many new friendships and I have a lot of memories that I will cherish for the rest of my life. It saddens me that my time going to camps, rehearsals, and competitions has come to an end, but I know I'll have new and amazing experiences when I begin college and enter adulthood. Swag

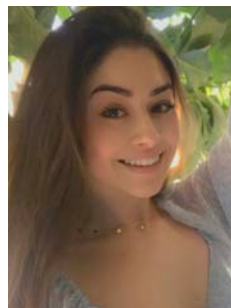

EMILY ROHAN

Well I definitely didn't expect this! Thank you to everyone who still made our senior year as memorable as possible, hopefully we can all eat ice cream & sing together again soon ❤️

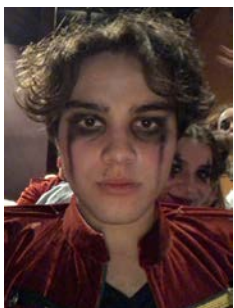

PAYTON ROSS

I am extremely thankful for the two years I had at Burroughs and in choir. Truly choir has been a life-changing experience and I have gained musical knowledge that I will carry with me forever. The good times and amazing friendships I've made are priceless. Even through the crazy times of 2020 choir has been a joy to be a part of. Thanks to everyone!

SAMANTHA SALAMOFF

What an incredible four years! Choir would always be the highlight of my day, whether it be learning new music, choreography, or just goofing around in the choir room. Because of the VMA, I have made friendships and connections that will last a lifetime. I'm so thankful to have been a part of this amazing program and I will forever cherish the memories that I've made here over the years.

TREY SANCHEZ

The VMA has become a home for me and many of my peers. My whole life I wished to be a part of this amazing community. I can say, with full confidence, that choir has given me a multitude of friends that I will remember, and stories that I can tell for the rest of my life. Thank you for all of those people who made my experience so memorable.

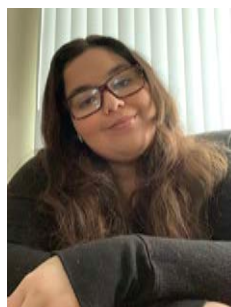

NOAH SEMSEN

The VMA has offered a new side of the Arts that I hadn't experienced much. I'm grateful for the opportunity and the friends I made. Peace out VMA, and thanks for all the memories. I'll remember you when I'm famous.

SAM SCHWADRON

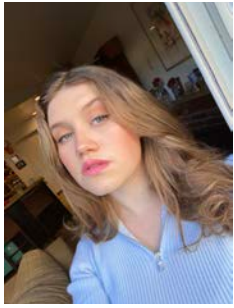

"Choir is my break from school,
Men@Work is my break from choir."

MIA SCHWARTZ

Thank you to all the choreographers I have worked with over the past 4 years. I would never be the performer I am today without you guys! Also, thank you to Mr. Jennings, Dan, the Mamas and everyone who worked so hard in this program. I will miss you all so much. I honestly do not know what I will do during the week from 6-9. Thank you for everything!

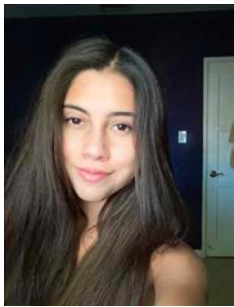

Within you, all you need

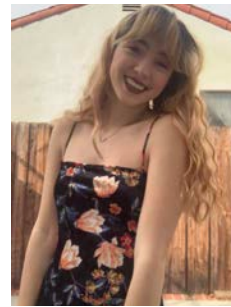

AMANDA SILVER

ANGELEE VALDEZ
 I am forever grateful for everything these four years have brought me. I’ve made enduring friendships and countless memories on stage and off. Thank you, Mr. Jennings, Dan, Jen Oundijan, Shannon, Dominic, Corey, and Queen Jen Stanley (my favorite person ever), for giving me a chance to shine. I love you all!!! And of course, thank you to my parents (#1 fans) for your constant love and support. I couldn’t have done it without you ❤️

JORDAN VARELA
 Being in choir has taught me a lot musically and has helped me grow as a person, which I’ll bring with me after I graduate. I am very thankful for all the different experiences choir has given me and for giving me the chance to meet some of the best people in my life. I’ll genuinely miss learning songs from Mr. Jennings and Dan and want to thank them for wanting the best for everyone.
